### 3 EDITIONS IN 3 WEEKS

THE HARBOR is a novel of rare vision, a story of unusual conception and power, full of the new romance of our modern life. It is the epic of all great cities and the people who live in them told simply and earnestly,

reflecting through its scenes and characters the great changes taking place in American ideals in the present generation.
Read The Harbor—"it is the ablest novel added to American fiction in many a long year." appeared in many

anced, combining intellect and emotion. The characters are ably drawn, strikingly contrasted, essentially Amer-
